

End of Year Letter 2025

Because of You, Lives Were Changed

Dear Supporters,

As 2025 comes to a close, we pause with deep gratitude and reflection. On behalf of everyone at HB Foundation, thank you for standing with us and for believing in a future where underprivileged children and families are given care, dignity, and opportunity. Your generosity has not only supported projects — it has changed lives. This year has been filled with global uncertainty, conflict, and hardship. For many vulnerable families, these challenges felt overwhelming. Yet, because of your kindness, HB Foundation was able to remain a place of safety, hope, and stability for those who needed it most.

BUILDING FUTURES THROUGH EDUCATION

We began 2025 with a vision to grow. Through the renovation of our old school building, we expanded classrooms and welcomed an additional Class 1, opening doors for more children to learn and thrive. This milestone would not have been possible without the incredible support of our donors and the founder of Profectus Global, whose fundraising efforts extended beyond our school to also support the Raiya Pur project.

HEALING BEYOND THE CLASSROOM

For many of the families we support, access to medical care is a distant dream. This year, HB Foundation continued its promise to walk beside those facing illness. From hospital visits and medication to cancer support and recovery care, your donations brought comfort and strength to families during some of their most difficult moments.

CLEAN WATER, NEW LIFE

In isolated rural communities where water scarcity defines daily life, your compassion made a lasting difference. Together, we successfully completed three water wells, giving families access to clean water — a basic need that brings health, safety, and renewed hope.

SHELTER, SAFETY, AND DIGNITY

One of the most moving achievements of 2025 was the completion of a major shelter project for a family in desperate need. This included care for a child with severe disabilities, who now also receives ongoing therapy. What was once uncertainty has become stability, comfort, and dignity – all made possible through your generosity.

RAMADAN: A TIME OF GIVING

The sacred month of Ramadan remains one of our busiest and most blessed periods. With zakat contributions, we were able to distribute food packages and ready-made meals to those struggling to put food on the table. This year, we exceeded 300 food packages, with heartfelt thanks to Sama and Profectus Global, whose unwavering support ensured families were nourished not just during Ramadan, but throughout the year.

MOMENTS THAT MAKE IT ALL WORTHWHILE

We end the year celebrating achievements that remind us why this work matters. One outstanding student succeeded in regional exams, bringing immense pride and joy to his family.

We also proudly celebrate Nasira, who passed her SSC exam and enrolled in college to continue her education, which is a powerful testament to resilience and hope. Our pre-school children, now equipped with certificates, are ready to enroll in local schools. Their graduation day is always filled with laughter, games, and shared joy with volunteers and HBF members – and we warmly welcome anyone who wishes to be part of this special celebration.

As we look ahead, we do so with hope and determination. Together, we will continue to uplift, empower, and protect those who need us most.

“Not all of us can do great things, but a simple act of kindness can change a life forever.”

Thank you for being that kindness. Thank you for being part of the HB Foundation family.

With sincere gratitude,
HB Foundation
